

## How to: Access WebAdvisor

WebAdvisor is Worcester State College's online course registration, **schedule** and **grading** system. WebAdvisor is used to **lookup courses**, **check your schedule** and **grades**, and **register** for new courses online.

Log into **Community System** at <https://community.worcester.edu>

From the **Student Central** tab scroll down to see the module entitled "**Student WebAdvisor**" click the "**Click here for Student WebAdvisor Menu**" (see below)

**Student WebAdvisor (use WSC Network ID to login)**

[Click here for Student WebAdvisor Menu](#) - (you will need to re-login)

WebAdvisor is Worcester State College's online course registration, **schedule** and grading system. WebAdvisor is used to **lookup courses**, **check grades**, and **register** for new courses online.

WebAdvisor does not display properly when using a Macintosh and Internet Explorer. Please use either Safari or Firefox/Mozilla as your web browser instead. [Search for Sections](#)

Finally, click on "**WebAdvisor Login**" and log in using your WSC network username and password. From here follow the prompts to access what you need.

WEBADVISORLOGIN | MAIN MENU | IT HELPDESK

main menu
